The Miracle League of Northampton Township is committed to enriching our community by providing education and social development through high-quality recreation facilities and programs for individuals with special needs and their families. Through our programs, we serve over 250 individuals with disabilities from across Bucks County and neighboring communities. The proceeds from the event will help us to continue to fund our programs into the future.

This year due to Covid we will not have a shot gun but will begin sending off foursomes at 9:00AM and there is no sit down sinner so a box lunch will be provided
